The name Finisterra means “End of the Earth”, and that’s what you’ll find at this breathtaking all inclusive resort. SandosFinisterra is nestled on a clifftop at the very end of the Baja Peninsula. Situated just steps away from the excitement of Downtown Cabo San Lucas and the Marina, Sandos Finisterra has captivating views of the Pacific Ocean on one side and panoramic vistas of the city, the Sea of Cortés and Marina on the other. Whether you're looking to party through the night or lounge the day away, this resort offers the perfect vacation.

Guests at Sandos Finisterra will find seven expansive acres of beach, perfect for serious seaside lounging. Although the ocean isn’t safe for swimming here, the beautiful beachside pool area has areas for games and relaxation, as well as 7 jacuzzi tubs and an adults only pool with swim-up bar.

When your tummy starts to grumble for sabor (that's *flavor* in Spanish), treat it to mouthwatering Italian cuisine at clifftop favorite Emiliano’s. If you're looking for something a bit more casual, grab a side of ceviche by the pool. Guests can indulge in panoramic ocean views with innovative cocktails at the Whale Watchers Bar, and maybe catch a glimpse of the bar's majestic namesakes in the winter. Indulge your sweet-tooth at Cupcake Cafe where you'll enjoy panoramic views with a number of unique coffees, desserts and of course, cupcakes! For the best views in Cabo San Lucas, step out onto the wrap-around terrace of Don Diego restaurant, serving impressive breakfast buffets and international theme dinners in a sleek modern ambiance.
